Forecast For Highland & Eilean Siar
Issued by Met Office Aberdeen
at 0400 on Tuesday 14 Sep 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Bright with some sunshine and a few showers.

Today:
A cloudy, damp start over parts of West Highlands and the Western Isles, otherwise a lot of dry bright weather with sunny spells and a few showers. Best of sunshine and highest temperatures will be towards Inverness and north Highlands. Maximum temperature 20 deg C (68 deg F).

Tonight:
Rather cloudy with some showers continuing overnight, mostly along the West Coast. A few clear spells, especially towards Inverness. Light winds. Minimum temperature 7 deg C (45 deg F).

Wednesday:
Rather cloudy start then some bright spells developing during the morning. Scattered showers in west, extending eastwards with a few heavy showers possible in the afternoon. Light winds. Maximum temperature 20 deg C (68 deg F).

Outlook for Thursday to Saturday:
Dry much of Thursday with early sunshine then cloudy. Rain and strengthening southerly winds reaching West Coast during evening. Rain and lighter winds on Friday then drier, brighter on Saturday.
